**International postage rates have recently increased supposedly due to Covid 19. It is not possible to provide fixed cost postage for World Zones as prices are changing daily. I am happy to seek the best postage rates for your parcel on the day and let you know. To obtain an accurate cost fill in this form (as I need all the above details) and email it to me [john@biofos.com](mailto:john@biofos.com) Even the World Zone definitions have altered increasing costs to individual counties. For example USA has now declared itself to be WZ3. Please bear with me as obtaining quotes can be time consuming and frustrating.**

Once you have received an acceptable postage quote from me add it to the cost of the book(s) you require and send to me using PayPal. Send to [john@biofos.com](mailto:john@biofos.com)

I expect most folks will use **PayPal**. If you do not use this service and live outside UK please contact me for alternatives **before** returning your order form - [john@biofos.com](mailto:john@biofos.com)

I will accept **cheque payment** from UK only but please contact me **before** returning your order form - [john@biofos.com](mailto:john@biofos.com)

**REMINDER:** The Viewfinder Pen book has been substantially rewritten and includes all of my research findings since the books original publication in 2000. If you own the original hard back edition I **strongly recommend** you upgrade to the Centenary edition. The SLR Pen book however, remains largely as it was first published in 2002, though there a some small additions. If you own the original hard back edition I do **NOT** recommend you upgrade to the Centenary edition unless you simply want the matching pair of soft back Centenary editions. I am very grateful to Olympus UK for the production of the 2019 Centenary soft bound editions of both books as part of the company's corporate celebrations.

**\*\*** It seems that under the new UK Royal Mail 2nd class 'Signed For' service **all** parcels are insured to £50. This is an improvement on the previous service. For International parcels I will endeavour to get the cheapest 'Signed For' service available for your country when obtaining your postage costs.
